

# 'RESPECT DAY'

Empowering your young people to 'Choose Respect'

**A DAY FILLED WITH POWERFUL, EFFECTIVE ANTI-BULLYING WORKSHOPS. DESIGNED TO CREATE A POSITIVE SCHOOL CULTURE AND TO TACKLE AND PREVENT BULLYING.**

## **PART OF TRIPLE-R 2018: OUR ANTI-BULLYING PROGRAMME, YOUR SCHOOL'S SOLUTION FOR TACKLING BULLYING**

### **WHAT IS A 'RESPECT DAY'?**

Our 'Respect Day' content is based on the 2018-2019 National Anti-Bullying Alliance's theme 'Choose Respect', with each workshop designed to identify a different area of respect and develop tolerance for others. Our creative workshops are full of stimulating activities and exercises delivered through discussion, drama and film.

Enlighten your young people with a carousel day where they get to experience all five key workshops themes:

### **RESPECT DAY THEMES**

Respect others  
Power of the bystander

Respect friendships  
Conflict resolutions

Respect equality  
British Values

Respect digitally  
Social media

Respect myself  
Power of resilience

### **HOW DOES IT WORK?**

1. Choose a year group.
2. Your school receive our KS3 Anti-bullying pack. This includes a host of activities ideal for tutor time, campaign ideas for your school along side support and information around school policies and best practice.
2. Our experienced team will host a creative assembly at the start of the day launching 'Respect Day' to all chosen students.
3. Each class then carousels 5 different workshops throughout the day on the themes relating to respect. Every workshop is hosted by our team, experienced in anti-bullying and skilled at hosting PSHE discussions.
4. We'll evaluate the day by sending you an engagement report, summarising your students' learning outcomes and recommendations for further learning.

### **BENEFITS**

- Helps your school meet Ofsted and safeguarding frameworks on anti-bullying.
- Provides support to your school with a wealth of resources, advice and memorable PSHE input.
- Enables students to discuss, debate and explore the themes, allowing them to learn in an open non-judgemental environment.
- Created to suit all learning abilities, the activities gently allow children to experience the emotions portrayed in the performance & work together to find resolutions.
- Using metaphoric activities the students often learn subconsciously, understanding the deeper impact bullying can have.
- Time to signpost students to who, where and how they can get help within your specific setting.
