

'RESPECT DAY'

Empowering your young people to 'Choose Respect'

A DAY FILLED WITH POWERFUL, EFFECTIVE ANTI-BULLYING WORKSHOPS. DESIGNED TO CREATE A POSITIVE SCHOOL CULTURE AND TO TACKLE AND PREVENT BULLYING.

WHAT IS A 'RESPECT DAY'?

Our 'Respect Day' content is based on the 2018-2019 National Anti-Bullying Alliance's theme 'Choose Respect', with each workshop designed to identify a different area of respect and develop tolerance for others. Our creative workshops are full of stimulating activities and exercises delivered through discussion, drama and film.

Enlighten your young people with a carousel day where they get to experience all five key workshops themes:

RESPECT DAY THEMES

Respect others
Power of the bystander

Respect friendships
Conflict resolutions

Respect equality
British Values

Respect digitally
Social media

Respect myself
Power of resilience

HOW DOES IT WORK?

1. Choose a year group.
2. Your school receive our KS3 Anti-bullying pack. This includes a host of activities ideal for tutor time, campaign ideas for your school along side support and information around school policies and best practice.
3. Our experienced team will host a creative assembly at the start of the day launching 'Respect Day' to all chosen students.
4. Each class then carousels 5 different workshops throughout the day on the themes relating to respect. Every workshop is hosted by our team, experienced in anti-bullying and skilled at hosting PSHE discussions. *only included in "Everything Enhanced" package.
5. We'll evaluate the day by sending you an engagement report, summarising your students' learning outcomes and recommendations for further learning.

BENEFITS

- Helps your school meet Ofsted and safeguarding frameworks on anti-bullying.
- Provides support to your school with a wealth of resources, advice and memorable PSHE input.
- Enables students to discuss, debate and explore the themes, allowing them to learn in an open non-judgemental environment.
- Created to suit all learning abilities, the activities gently allow children to experience the emotions portrayed in the performance & work together to find resolutions.
- Using metaphoric activities the students often learn subconsciously, understanding the deeper impact bullying can have.
- Time to signpost students to who, where and how they can get help within your specific setting.
